DD 9-21-14

Dear Sir,

Please refer to your letter No.L.5860-Med.9-21-13, dated 5th instant. I find certain defects in the draft notification which formed an enclosure to that letter. They are,

(1) Minimum educational qualification required in the case of the Grant Medical College, Bombay is the P.E. of that University or any other examination considered as its equivalent by that University. It would be advantageous to specify the examinations of the Mysore University which have been accepted by the Bombay University as equal to their P.E. On this point the Education Section of the G.R.S. may have information. We have none in this office.

(2) Qualifications required for admission into the Carmichael Medical College have not at all been given. It will be

better to add this if ascertainable from the Edn. Secn.

Of the general conditions governing the grant of stipend, No.5 does not seem to read well. I beg to suggest its modification

thus:- "The successful applicants will be required to execute an agreement binding themselves to prosecute their studies diligently and after the termination of their studies, to serve the State, if ~~required~~ required, for not less than five years on such salary as may be fixed by Government and in default of these conditions or if dismissed from the service within such period on account of objectionable conduct, to refund the amount of scholarship received by them with interest at 9 % per annum."

Who is to secure admission for the selected candidates ~~int~~ into any of the Colleges named? If Government does not guarantee to obtain admission for the candidates, it may as well be stated in the Notification that the candidates are expected to make their own attempts for securing admission, as the Government cannot undertake the responsibility. ~~Otherwise~~ What is the use of awarding a scholarship to a candidate who is not sure of getting admission? The draft Notification as approved by Government is ready to be sent to the Compiler. But I shall keep it back till I hear from you in reply. If necessary I shall run up and have a personal ~~talk~~ with you in the matter if you will
